

Gg

glider

## Materials Needed

Scissors

Cellophane tape

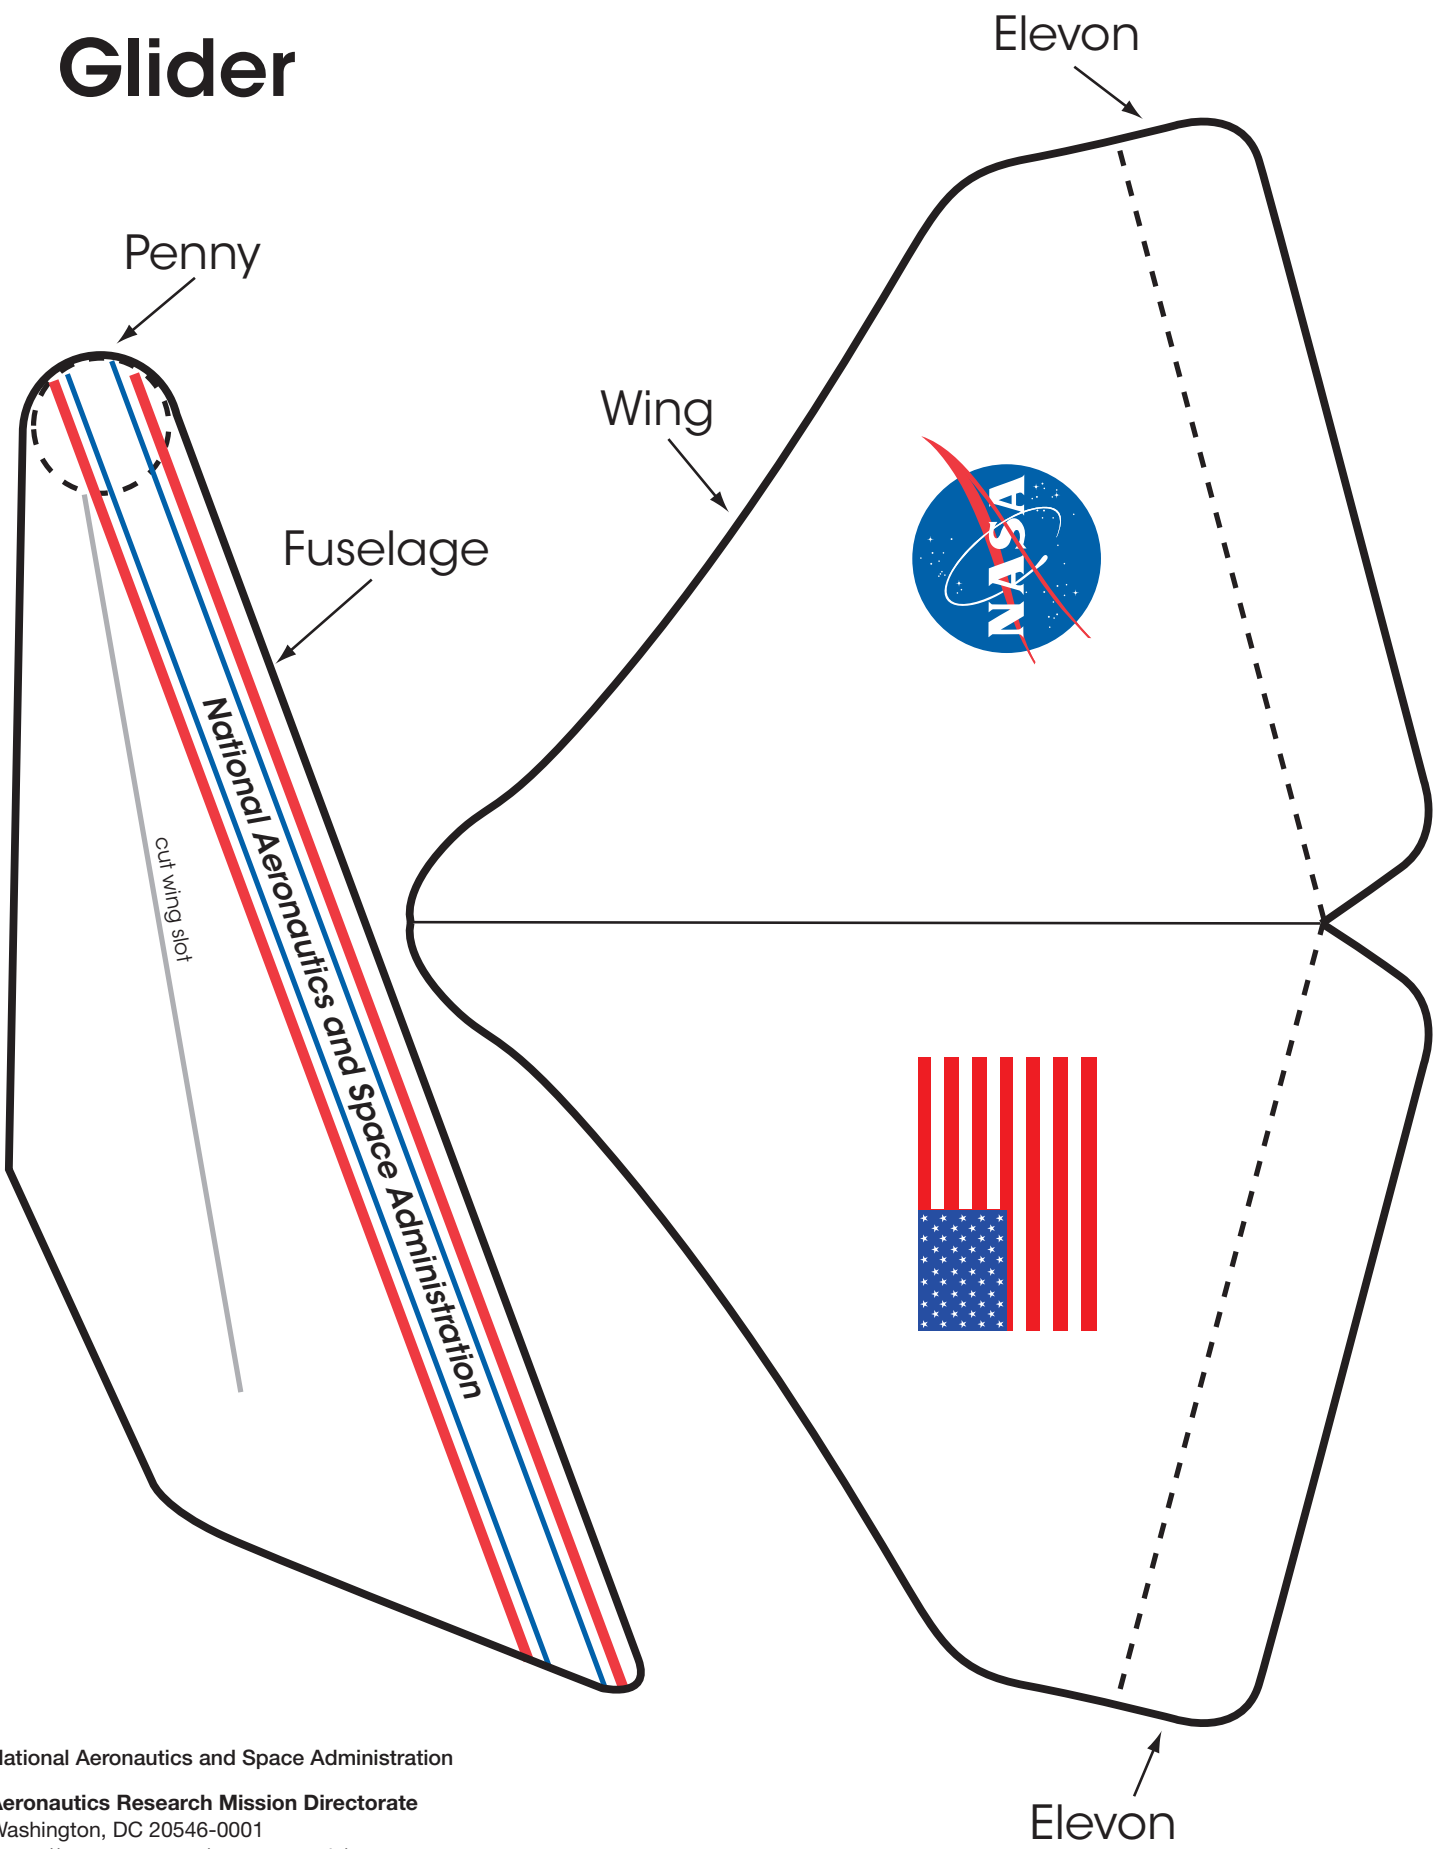

One penny

## Instructions

1. Cut out the wing and fuselage patterns that can be found on the back cover of this book.
2. Carefully cut the wing slot line located on the fuselage. Ask an adult to help you if you need help.
3. Slide the wing into the slot. Make sure the wing's center line lines up with the fuselage.
4. Tape the wing to the fuselage.
5. Tape the penny to the nose of the fuselage for balance.
6. Bend both flaps upward.
7. Gently launch the **glider** like you would with a paper airplane.
